JURORS TO BEGIN REPORTING DIRECTLY TO SIMI COURTHOUSE

Beginning this week, prospective jurors for trials that take place at the East County Courthouse in Simi will report directly to Simi for duty. In the past, jurors reported to the Ventura courthouse first and were then sent to Simi as needed.

Now, when jurors call the Superior Court's nightly telephone recording to find out which day to appear for duty, the recording will also tell them where they should report. When jurors are needed in Simi, the recording will identify the group numbers that need to report directly in Simi. It will not be necessary for those groups to first come to the courthouse in Ventura.

Court Jury Services staff will only be present at the East County Courthouse on days jury selection takes place. All questions pertaining to jury service should still be directed to the Hall of Justice in Ventura at (805) 654-2256.
